Student Leaving Profile

Sophie Williamson

• Testimonial

Sophie is an absolutely outstanding young woman who has immense talent across a range of academic, sporting and personal categories. She has made a huge contribution to the co-curricular life of the school especially through her involvement in swimming and waterpolo and as a prefect. She sets and attains very high standards in all she undertakes. Sophie is also a talented visual artist excelling in Printmaking and successfully balancing this with all her other commitments. She is a young woman with enormous integrity and empathy for others. She took part in World Challenge in 2016/ 2017 and gained considerably from that experience. Sophie clearly has a broad range of strengths and is a reliable and trustworthy person that I would not hesitate to recommend to any employer or tertiary course, she has a very bright future ahead of her.
